

Acknowledgements and Waiver of Liability

I understand and acknowledge that Blazer Pulse is merely facilitating and making volunteer opportunities available to interested persons (19 years to 50 years of age) and that the volunteer child care services provided pursuant to this platform do NOT constitute a UAB sponsored activity or program subject to UAB's policies and procedures. In addition, by accessing the Blazer Pulse platform as either a UAB Medicine essential health care employee seeking assistance with child care during the COVID-19 National Emergency or as a volunteer willing to assist UAB health care personnel, I agree to the voluntary nature of the services and understand the child care services will be provided free of charge.

As a volunteer, I further understand that before I am identified on the Blazer Pulse platform as a volunteer to provide childcare services for essential health care personnel, **I must submit to a background check (including a social media check)**, complete an online module related to child protection best practices and commit to following COVID-19 CDC guidelines for social distancing and hand hygiene.

I willingly and freely agree to volunteer or accept the volunteer services of a volunteer and hereby assume any and all risk associated with the volunteer child care arrangement that I enter into. I knowingly and voluntarily waive, release, exculpate, and discharge UAB and all its affiliates from and against any and all liabilities associated with this voluntary service and voluntary child care services. By agreeing to provide this volunteer service, I voluntarily agree to discharge UAB in advance from all such liabilities, whether currently existing or arising hereafter.
